

No need to be alarmed by breastfeeding

It's good for babies, helping to protect them against asthma and childhood diabetes as well as ear and stomach infections. Breastfeeding mums need your support - because every baby deserves the best.

If you could, would you?

Breastfeeding helps protect babies against asthma and childhood diabetes as well as ear and stomach infections. So even if men can't breastfeed, they can still do their bit by supporting breastfeeding mums - because every baby deserves the best.
